Dear Mr. Armin Ibitz,

I am the executive Secretary of EU Centre at National Sun Yat-sen University.
we will be holding hosting "2011 EU Summer School: Climate Change and carbon reduction strategy" next month from 8, August to 10, August.

Professor Kao, Ming-rea, the vice president of Wenzao Ursuline College of Languages, recommended us to invite you as a lecturer of our summer school.
Thus, we cordially to invite you to be the speaker of one-ninety-minute-long class for the summer school to share your insights into the latest developments in your field.

Please find more information below:

Theme: 2011 EU Summer School: Climate Change and Carbon Reduction Strategy
Time: August 8-9 or August 9-10
Place: National Sun Yat-sen University

If you are willing to accept our offer, please inform me that is it possible for you do deliver your lecture in Chinese.

Thank you very much and hope to hear from you soon!

Best Regards,

Jo Chu
