7<sup>th</sup> August 2019

Dear Wen-Chuan,

This is a formal letter of acceptance for publication of the book entitled 'Learning English and Chinese as Foreign Languages: Sociocultural and Comparative Perspectives'. This book compares English as a Foreign Language teaching in Taiwan with Chinese as a Foreign Language education in England and highlights how classroom activities are embedded within ethnic or social group cultures, family resources and school visions or goals, and it highlights the potential for a perpetuation of social inequality as a result.

The expected date of publication will be the 30<sup>th</sup> of September 2019. The ISBNs are as follows:

Pbk 9781788925136  
Hbk 9781788925143  
EPUB 9781788925167  
Kindle 9781788925174  
PDF 9781788925150

Yours sincerely,
