**About Presence** *Presence: An International Journal of Spiritual Direction* is published in March, June, September, and December. *Presence* offers a forum among diverse people and spiritual traditions for the exploration of present and future trends in the art and ministry of spiritual direction. *Presence* is grounded in the belief that our deepest calling is to be present to one another as we share the gift of ourselves. *Presence* strives to articulate the essential elements of contemplative practices, formation, and training; to encourage accountability; and to develop clear ethical guidelines. *Presence* supports a global contemplative dialog of spiritual care and compassion for others, ourselves, and the whole cosmos. ISSN 1081-7662

Opinions expressed in this journal are the opinions of the authors and advertisers and may not represent the opinions of Spiritual Directors International, the coordinating council, or the editors. All biblical quotations are from the NRSV unless otherwise noted.

**Spiritual Directors International Mission Statement**  
Throughout human history individuals have been inspired to accompany others seeking the Mystery that many name God. SDI is a learning community that educates and supports this service around the world and across traditions.
